Reaching Out To The World

The Piggy Bank Account is a deposit account for saving money! Like every deposit account you have access to your funds when needed.

START TO SAVE

Investigate your options for budgeting your salary or allowance. Consider your spending and come up with strategies to save money.

One can always buy shares in the future

BUDGETING TIPS

Set up a schedule weekly or monthly and allot money.

Budget what you spend each day.

Set objectives. For instance, how much money must I put aside in three months to buy a new phone?

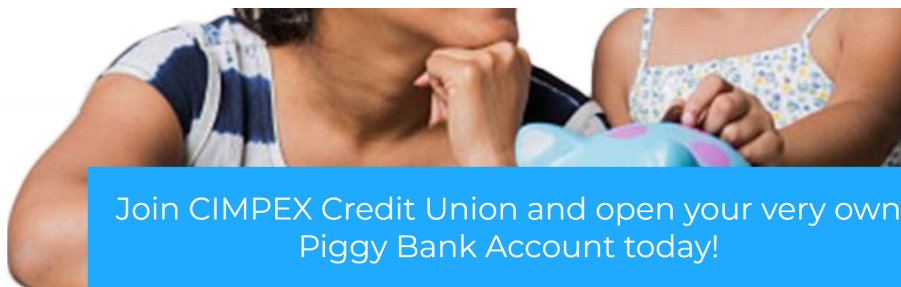

Keep all surplus money and make a monthly deposit.

Don't spend money on one day a week. Carry water, a snack, lunch, as well as other beverages to work or school.

Forget brands, Save today get brands another day! It will be there.

with the money saved in the account. Cost per share is \$5. You can secure a loan against your shares.
